

## Demographic Information

The information you provide in the Year-End Report for your chapter will be kept confidential. Aggregate information about chapters will be used by the national office staff to continually improve programs and services to schools, school leaders, and student members. An annual report showing stats of worldwide affiliate schools will be shared in Fall 2021.

Upon submission of the Year-End Report, you will receive a promo code for a 20% discount for use in the NEHS online store.

## Chapter Activities

For the following section, consider asking your chapter leadership for assistance.

Please enter whole numbers only (e.g., 10, 100, 250, 1000). No commas, decimal points, or words. If your chapter did not participate in one of more of the following activities, please enter "0" in the field.

\* 11. **Service Hours**

Estimate the total cumulative hours that chapter members provided as service to your school or community this school year. This includes chapter and individual service projects (e.g., If 10 students spent four hours at a car wash, the total cumulative hours would be 40). Use your best estimate, or ask students to provide you with this information if you haven't been tracking hours. You should include the hours planning the projects as well.

\* 12. **School Climate/Spirit**

Estimate the total cumulative hours your chapter spent this school year planning and hosting school spirit or similar activities that supported improving school climate and increasing student engagement. If other students joined your chapter members working on the projects or activities, include their hours in your total.

\* 13. **Culture of Learning**

Estimate the total cumulative hours your chapter invested in support of academic success this school year (e.g., tutoring, mentoring, a school supply donation drive, or partnering with the school or principal to increase student achievement levels).

\* 14. **Blood Drive**

Provide the total number of pints collected across all blood drives held this school year.

\* 15. **Food Collection**

Provide the total weight of food collected this school year. Note: If you did not weigh the food, consider 1 pound per item on average. (e.g., Five hundred cans would roughly equal 500 pounds.)

**\* 16. Charitable Fundraising**

Estimate the cumulative amount your chapter raised for charity this school year. Include funds raised to buy supplies to complete a service project (e.g., money raised to buy fabric to make blankets for a children's hospital).

**\* 17. Which of the following nonprofit organizations or charities did your NEHS chapter contribute service hours or funds to this year?** Select all that apply. If your chapter made significant contributions to any other nonprofits/charities this year, add them in the "Other" box.

- American Cancer Society (including Relay for Life)
- American Heart Association
- American Red Cross
- Feed My Starving Children
- Habitat for Humanity
- Leukemia & Lymphoma Society (including Pennies for Patients)
- Local or regional food banks or food pantries
- No Kid Hungry
- Project Linus
- Ronald McDonald House Charities
- Salvation Army (including Angel Tree)
- Samaritan's Purse (including Operation Christmas Child)
- Special Olympics
- St. Jude Children's Research Hospital
- Toys for Tots
- UNICEF
- United Way
- Other (please specify)

- None of the above / We did not contribute to any nonprofits or charities this year
